Mrs. and Mr. Thomas McDonald "Don" Rutherford of Los Angeles, California, stopped by his brother Otto's house for a few days after returning from a vacation in British Columbia and the Mayan Islands. Don was born in Portland. He attended High Grade School and Benson High School where he graduated from in 1940. He is now in the Los Angeles School System as a teacher. He's a University of Oregon Alumnus. He also attended the University of California at Berkeley; and did his graduate work at the University of California at Los Angeles. Don is married to the former Judy Brazley, A Los California high school principal. Mrs. Rutherford received her Bachelors Degree at U.C.L.A., and her Masters Degree at the University of Southern California, and is finishing up her Doctor of Philosophy at U.C.L.A.. They have a son, Tom and a daughter Julia. The Rutherfords are on their eighth consecutive vacation and hope to go around the world next year. They have been to twelve European Countries and throughout Central America, Mexico and the United States. The Rutherfords have filmed all of these vacation places on 16 millimeter film and upon their retiring will sell them to Television and maybe we'll see some of their exciting travels on film.

AN EDITORIAL

\$1.60 HA! HA!

Early this morning seven Albina citizens met at the V.F. Booker Real Estate Office, 1533 N.E. Alberta to protest the proposed Watts-Albina establishment for the Albina District. The proposed business would employ about 25 negroes and would pay them \$1.60 per hour. The Watts-Albina Organization is headed by one Mark T. Moothart, Secretary-Treasurer of the Watts-Albina Corporation, who seem to be capitalizing on the riots and disorders. The plant will make crates and boxes and is in the process of receiving a contract from the Defense Supply Agency, a federally financed agency. The proposed location of the plant will be in the deserted American Bowling Alley, a former recreation center in the community. Moothart and his "capitalizing on the riots" associates has the blessings of Mayor Schunk and the city fathers. Many negroes in Albina believe it's another scheme to exploit the Albina Citizen. If the city fathers want to help the Portland negroes get jobs then they should work to break down the discriminatory hiring practices of the white businesses in the Albina District that don't employ negroes; transfer companies, Electric companies, metal shops, etc. Mayor Schunk and the city fathers, who just voted themselves a \$2500 plus pay increase more money than many Portland citizens earn annually - - \$1.60 per hour - HA! HA! HA!

E. Shelton Hill, Executive Director Portland Branch, Urban League and Office Manager, Mrs. Myrtle Carr receive congratulations from National Executive Director, Whitney M. Young Jr., on the excellent job they did in preparing the 57th Urban League Conference.

The girl who was the big hit at the Urban League Conference was none other than Jo Ann Twitty, Miss Tan Portland 1967, who handed out hundreds of Pepsi's to Conventioneers, courtesy of Ted Gamble & Company. Here L.C. Ellison and Rev. A.A. Newton stop by the Pepsi booth.

Miss Tan Portland will fly to Dallas, Texas, Friday for the 3rd Annual Miss Tan America Pageant. Accompanying her will be her grandmother, her mother, and two sisters. The Pageant week commences August 28th through September 1st. The coronation will take place at the Dallas Memorial Auditorium. JoAnn and the Twittys will be staying at the Statler Hilton in Dallas.

One of the prettiest workers in the Urban League Convention was little Cynthia, daughter of Mr. and Mrs. James Brooks. Mr. Brooks is in charge of Economic Development and Employment for the Portland Urban League.

BIG JOHN STRONG

For the sixth consecutive year the Big John Strong Circus will be at Lloyd Center, Aug 21-26, performing three free shows daily under a big top tent. Circus times are at 11 a.m., 2:30 p.m. and 6:30 p.m. on week days, and 10:30 a.m., 1:30 p.m. and 4:30 p.m. on Saturday. The circus big top is located on the center's West Mall parking deck. The circus is a family event, with a family producing the show. John Strong owns, directs and emceed the show, while his children, Little John, Linda and Sandy are featured performers. A family of acrobats, The Jessicks, is the headline act. The Big John Strong Circus is a dream come true for owner Strong. His parents were circus performers, and while they worked for the circus, he longed for a circus of his own. In 1950 he and his wife bought a small circus and today their circus is the only one in the west which is still produced under the "big top" tent.

Photographer Jimmy "Bang-Bang Walker, couldn't resist these lovely misses at the PIL benefit football game last week at Jefferson High won by Jefferson 7-6.

Left to right - Bradford & Tracey Bailey, Mrs. Robert E. Bailey, Mrs. Roderick Klugh, the mother, Mrs. Joel C. Bailey, Mrs. Lois Valentine, Mr. Klugh & Mr. Robert E. Bailey.

The Robert E. Baileys home at 1424 N.E. Dekum Street was enlightened this week by the presence of Mr. Bailey's mother and sisters. The mother, Mrs. Joel C. Bailey hails from Washington Court House, Ohio. Mrs. Valentine and children reside in Cleveland, Ohio. Also present were the Roderick Klugh family from Oakland, California.

The more you put into something—like water skiing—the more you get out of it. Same with Blitz-Weinhard Beer. You get more out of Blitz, because we put more in.

We put in more time, hand-selecting nature's finest hops and barley, sun-ripened in our own Northwest country. We put in more time for slow, unhurried brewing and aging... more time for those important extra details that give a beer its character.

That's why you'll always enjoy a fine light beer with character in every glass of Blitz. Have one...and see if you don't agree.

The fine light beer with character from the West's oldest brewery

TELL IT LIKE IT IS

WASN'T IT NICE!!!!.....

We mean the Urban League Convention of course. Having to watch from the sidelines was tough. Wouldn't you have liked to been one of those on the "in" side? Wasn't the press coverage' wonderful, both nationally and locally? Didn't everything go off smoothly? All I can say is CHEERS TO THE LOCAL URBAN LEAGUE for its perfect hosting of such a wonderful event.

DID YOU HEAR.....

The speech of Mr. Edwin Berry? It was a real "meaty" one and should have been heard by all. Mr. Berry really knows his town and its problems from top to bottom. He also seems to be trying hard to do something about them. If you don't believe me, consult with the "Cobras", "Dukes", or "Imperial Pimps" of that city.

GOVERNOR McCALL.....

stands "tall" in any crowd and he certainly stood "real tall" in the way he dispensed his hospitality to the League.

DO YOU THINK.....

too many nice things are being said about the Urban League? I know it is a sore spot with some of you. But remember this, these people are where they are because they are progressive and productive. Too far ahead of the rest of us, you say? Well, while some of us were looking around, they were looking ahead.

WELL.....

I'm not going to argue with you. Let's get back to our bean-picking, Ebony-reading, and collard green cooking.

THE WEATHER.....

has been so hot you can "hear" the corn grow. Wonder if this means we will have to hunt snow shovels this winter like we've been looking for electric fans. Brrrr! It's almost chattering time.

THE PIL.....

needs your support. I took my dollar from under the mattress and gave it to them?

THE PIL.....

needs your support. I took my dollar from under the mattress and gave it to them. Where's yours?

HAVE YOU.....

been to church lately? On the other side of the River, they have a bank on every corner. Over here, we have a church on every corner.

STOP.....

worrying about your color and start worrying about your character.

Name any orange drink. See! Orange-Crush is the first thing that pops into your mind.
